RLKU HOSTS SUCCESSFUL OPEN HOUSE FOR FALL ADMISSIONS 2025!

Rashid Latif Khan University (RLKU) recently welcomed over 450 students from various colleges to its Open House event for Fall Admissions 2025! This engaging session provided prospective students with an opportunity to explore RLKU's state-of-the-art facilities, innovative programs, and vibrant campus life.

Highlights of the Event:

- Interactive sessions with faculty members and current students
- Campus tours showcasing modern infrastructure and facilities
- Insights into academic programs and research opportunities
- Networking with peers and university staff

A Big Thank You to all the students, parents, and educators who joined us! We're thrilled to welcome new faces to the RLKU community and look forward to shaping the leaders of tomorrow.

RASHID LATIF KHAN UNIVERSITY (RLKU)

AIR COMMODORE KHALID FAROOQ CHISHTI ®

Rashid Latif Khan University was honoured to host Air Commodore Khalid Farooq Chishti (R) – Sitara-i-Imtiaz (Military), Sitara-i-Basalat, former PAF Fighter Pilot, Patron-in-Chief of Quaid-e-Azam Foundation (USA), and Faculty Member at LUMS.

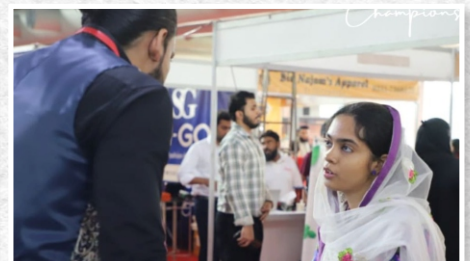

He delivered an enlightening session on "Honouring Quaid's Pakistan", emphasizing the timeless vision of Quaid-e-Azam Muhammad Ali Jinnah and its relevance for Pakistan's future.

His words reminded us that Quaid-e-Azam's principles of unity, faith, and discipline remain our greatest strength as a nation.

YOUNG ENTREPRENEUR FEST 2025 AT LAHORE EXPO CENTER

Rashid Latif Khan University participated in the Young Entrepreneur Fest 2025 at Lahore Expo Center on September 6. An extraordinary lineup of guests of honor, visionary speakers, and expert judges gathered to ignite the entrepreneurial spirit of Pakistan's youth.

RASHID LATIF KHAN UNIVERSITY (RLKU)

QEC DEPARTMENT

1. IQC Session Conducted:
 - The first IQC session for Academic Year 2025–26 was successfully held on 29 September 2025 under the chair of the Pro Vice Chancellor.
 - Major policy approvals included the Leads Students Policy, QEC Calendar 2025–26, and Faculty Status endorsement.
2. Policy and Process Improvements:
 - QA Policies were reviewed for revisions and standardization across departments.
 - PREE framework and transactional targets were aligned with the institutional Quality Policy.
3. Strategic Planning:
 - Planning initiated for an International Conference for 2025–26.
 - Organogram structure reviewed for QEC staffing needs.
4. Academic Quality Enhancement:
 - Revised Course Evaluation Circular drafted and shared.
 - MS/MPhil program registration status reviewed in coordination with the Registrar Office.
5. Governance & Committees:
 - Urgent recommendation made for Selection Board notification.
 - Inclusion of Student Leads Representative approved to enhance participatory governance.

Planned Activities for October 2025

- Circulation of approved QEC Calendar to all departments.
- Compilation of QA policy revisions and departmental feedback.
- Development of Student Leads engagement framework.
- Progress report on International Conference proposal.

WORLD PHARMACIST DAY

THINK HEALTH, THINK PHARMACIST

World Pharmacists Day Celebration at Faculty of Pharmaceutical Sciences, Rashid Latif Khan University! We marked this special day with a joyful cake-cutting ceremony, celebrating the pride and spirit of our noble profession.

We extend our heartfelt gratitude to our respected Dean, Prof. Dr. Humayun Riaz, whose visionary leadership, constant encouragement, and unwavering support continue to inspire both faculty and students. His dedication to uplifting the standards of pharmacy education and nurturing future healthcare leaders is truly commendable.

WORLD PHARMACIST DAY

The Department of Professional Psychology, in collaboration with the Department of Business at RLKU, hosted a lively welcome party for the 2nd semester students. The event was designed to celebrate the beginning of their new academic journey and to strengthen the bond between juniors, seniors, and faculty members.

The senior students enthusiastically arranged a variety of activities to entertain and engage the audience. The program featured humorous live commentary, an impressive skit performance, soulful singing, energetic dance routines, and many other light-hearted segments that kept the atmosphere lively throughout. Faculty members and students alike participated in the cheerful gathering, enjoying moments of laughter, appreciation, and celebration.

WORLD SUICIDE PREVENTION DAY

The Department of Professional Psychology at RLKU organized a thought-provoking seminar in observance of World Suicide Prevention Day. The event brought together professionals from diverse fields who shared valuable insights on the importance of raising awareness and addressing this sensitive issue.

Dr. Tahir Mustafa spoke on the protective role of faith and spirituality, while Dr. Ambreen Salahuddin addressed the influence of gender roles on mental health. Mr. Salman Abid emphasized the media's role in raising awareness and shaping public discourse. The Pro Vice Chancellor further highlighted student vulnerabilities and the need for supportive academic environments. The seminar proved to be an enriching experience for both students and faculty, fostering understanding and compassion while reinforcing the need for collective efforts in addressing suicide prevention.

WORLD FOOD WASTAGE PREVENTION DAY

On World Food Wastage Prevention Day, the students of the SOUL Society at RLKU carried out an engaging awareness campaign to highlight the importance of reducing food waste. Posters with key messages were placed on dining tables in cafeteria. Informative charts were also displayed to reinforce the message and encourage responsible eating habits. In addition, students prepared short documentaries highlighting the global issue of food wastage and practical steps that individuals can take to minimize it.

The activity was well-received, allowing students to enjoy themselves while becoming more mindful of their role in promoting sustainability. The campaign created a positive impact by engaging students in both learning and reflection.

INSTITUTIONAL REVIEW BOARD MEETING FOR DPT FINAL YEAR STUDENTS

- Institutional Review Board (IRB) Defence for DPT students was successfully conducted by Rashid Latif College of physical Therapy in collaboration with Research Cell, at Rashid Latif Medical College in under supervision of Prof. Dr. Tazeem Shahbaz, Director Research cell and Prof. Dr. Rehana Niazi, Principal RLCPT.
- The IRB Defence is a mandatory evaluative step designed for final-year Doctor of Physical Therapy (DPT) students of Rashid Latif College of Physical Therapy to present and defend their research proposals before a panel of faculty members and subject matter experts. A panel comprising experienced faculty members and external experts meticulously reviewed each proposal, providing constructive feedback aimed at enhancing the quality and compliance of the students' research work.
- The successful conduction of the IRB Defence marks a significant academic milestone for the final-year DPT students of Rashid Latif College of Physical Therapy. This process not only ensures ethical compliance in research but also reinforces the college's commitment to fostering a responsible and scholarly research environment.

STUDENTS ACHIEVEMENT

Rashid Latif College of Physical Therapy is proud to share that Syed Muhammad Ali Hassan, a 3rd Year DPT student, won the Tafseer Competition at the Seerah-e-Muhammad () Seminar organized by the RLMC Youth Club.

The event brought together students and faculty in Qirat, Tafseer, Islamic Calligraphy, and Art Competitions, celebrating love and devotion to the Prophet Muhammad (ﷺ).

Prizes were distributed by Prof. Mudassar Ali (Vice Principal), Prof. Sofia Khan (Youth Club Head), and our esteemed Chief Guest.

DSFC (Discipline Specific Faculty Council) Seminar on the theme: "INSPIRE: Strengthening Rehabilitation Sciences through Innovation, Collaboration & Research"

Faculty of Speech and Language Pathology Department of Rashid Latif Medical College actively participated in the **DSFC (Discipline Specific Faculty Council) Seminar on the theme: "INSPIRE: Strengthening Rehabilitation Sciences through Innovation, Collaboration & Research"** held at University of Health Sciences. Dr. Atia ur Rehman, HOD SLP Department, RLMC represented as key note speaker on "Curriculum Innovation and Leadership in Rehabilitation Sciences". She emphasized the need to design evidence-based curricula that integrate technology, inter professional education, and research-driven practices. The participation of SLP faculty in the DSFC seminar reaffirmed the department's mission to equip future professionals with the knowledge and skills necessary to meet the evolving demands of speech and language pathology.

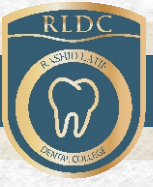

Pre Conference Workshop on "Using the British Picture Vocabulary Scale (BPVS) for Language Screening and Intervention Planning"

Prof. Dr. Atia ur Rehman conducted a Pre Conference Workshop on "Using the British Picture Vocabulary Scale (BPVS) for Language Screening and Intervention Planning" in 5th International Conference on Rehabilitation Sciences. The workshop provided an in-depth orientation to the **British Picture Vocabulary Scale (BPVS)** as a standardized tool for assessing receptive vocabulary in children. Participants were guided on the administration, scoring, and interpretation of the scale. Students, clinicians, and faculty members actively engaged in the workshop and expressed that it enriched their understanding of evidence-based assessment practices.

RASHID LATIF DENTAL COLLEGE (RLDC)

PARENT-TEACHER MEETING

Rashid Latif Dental College (RLDC) held a Parent-Teacher Meeting on 12 September 2025, for 3rd year BDS students to discuss their academic progress and performance. Faculty provided guidance on improving student outcomes, and parents appreciated the initiative, praising the college's efforts to support students' education.

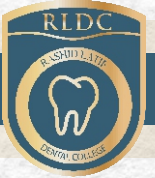

SPORTS DAY

RLDC recently organized a dynamic Sports Week for BDS students, featuring a variety of indoor and outdoor games such as Football, Volleyball, Cricket, Badminton, Table tennis, Chess, Ludo, and Jenga. Separate teams were formed for girls and boys, and matches were held not only within BDS groups but also against teams from RLMC, the Pharmacy College, and Allied Health Sciences. These interdepartmental competitions added a spirit of healthy rivalry and made the event even more engaging. BDS students displayed remarkable teamwork, energy, and sportsmanship throughout the week, securing top positions in several matches. The event served as a great platform for fostering interdisciplinary interaction, physical activity, and collaborative spirit among students. Congratulations to all participants and winners for making this event a memorable success!

RASHID LATIF DENTAL COLLEGE (RLDC)

WORKSHOP ON ASSESSMENT STANDARDS

A workshop on Assessment Standards was successfully conducted under the supervision of the Dr. Faiza Salman, In-charge DME, RLDC.

The workshop featured a detailed presentation by Dr. Palwasha Farooq, focusing on the UHS standards for conducting assessments. The session was highly interactive, including a Q&A segment, which allowed participants to engage actively and clarify key aspects of assessment strategies.

Prof. Dr. Qasim Saeed, Principal of RLDC appreciated the initiative and commended the efforts of the DME team in organizing a session that contributes significantly to academic quality and faculty development.

WORKSHOP WAS ORGANIZED BY SENSODYNE

An awareness workshop was organized by Sensodyne at Rashid Latif Dental College on the topic of Dental Hypersensitivity. Stalls were arranged for participants to check tooth sensitivity and plaque accumulation, along with tests to identify these conditions and their possible solutions. The session included informative discussions on the causes, prevention and management of tooth sensitivity.

Gifts and refreshments were also distributed among the attendees.

RASHID LATIF COLLEGE OF PHARMACY (RLCP)

MOUS BETWEEN RLCP, FOPS RLKU AND AIR PHARMACEUTICALS PVT LTD.

Rashid Latif College of Pharmacy (RLCP) and the Faculty of Pharmaceutical Sciences, RLKU have signed Memoranda of Understanding (MoUs) with Air Pharmaceuticals under the supervision of Professor Dr. Humayun Riaz, Principal RLCP and Dean FOPS/RLKU. These landmark agreements aim to strengthen academia-industry collaboration through joint research projects, student internships, professional training, and knowledge exchange in cutting-edge areas of pharmaceutical sciences. The partnerships will provide students with valuable industrial exposure, enhance skill development, and encourage innovation in drug development and healthcare solutions. By bridging academic expertise with industrial practices, these MoUs reaffirm RLCP and FoPS's commitment to producing competent pharmacy professionals while contributing to the growth of Pakistan's pharmaceutical sector.

PPA PHARMACIST DAY CELEBRATIONS

Professor Dr. Humayun Riaz, Principal Rashid Latif College of Pharmacy and Dean, Faculty of Pharmaceutical Sciences, attended the World Pharmacists Day celebration organized by Pakistan Pharmacists Association (PPA) at Sheraton 4 Points, Lahore, on September 25, 2025. On this prestigious occasion, Professor Dr. Humayun Riaz extended warm congratulations to the pharmacist community and highlighted their invaluable contributions in strengthening the healthcare system of Pakistan. He emphasized the critical role pharmacists play in ensuring safe, effective, and accessible medication use, while also serving as a bridge between patients and healthcare providers. His presence at the event reflected his continuous dedication to the advancement of pharmacy education, professional development, and policy reforms aimed at empowering pharmacists. Professor Dr. Humayun Riaz has always been a visionary leader, inspiring young pharmacists to take active roles in research, clinical practice, and community service. His tireless efforts and commitment to the profession have earned him great respect across academia, healthcare institutions, and regulatory bodies. The Secretary of PPA especially acknowledged and praised his outstanding services, recognizing him as a guiding force for the pharmacy profession in Pakistan. The pharmacist community highly appreciates his guidance, as he continues to pave the way for innovation and excellence in pharmaceutical sciences and healthcare delivery.

DEBATING SOCIETY - MUN 3.0

The grand journey of Rashid Latif Medical College Model United Nations 3.0 began on 26th September, with an inspiring Opening Ceremony, where 217 delegates from 25+ institutes gathered to celebrate diplomacy, dialogue, and youth leadership. We were honored by the presence of distinguished Chief Guests – Finance Minister Punjab Mian Mujtaba, Shuja-ur-Rehman, Barrister Mian Ali Ashfaq, and WHO

Representative

Dr. Mehroz Saleem whose motivating words added immense value and reflected RLMC's vision of empowering students as future leaders.

Over the course of several days, the sessions were filled with dynamic debates, diplomacy in action, and powerful youth voices rising with confidence.

The event concluded with a memorable Closing Ceremony, marking not just the end of discussions but the beginning of friendships, leadership, and a shared vision for a better tomorrow.

RASHID LATIF MEDICAL COLLEGE (RLMC)

DEBATING SOCIETY - MUN 3.0

Here's to our dedicated delegates, esteemed chairs, and hardworking organizers – the true spirit behind the success of RLMC MUN 3.0!

JOURNAL CLUB BY THE ANATOMY DEPARTMENT

Journal Club by the Anatomy Department (on 19th September 2025) featured an interesting study presented by Dr. Afifa Waseem on the effects of flax seed oil against changes induced by caffeinated energy drinks. The topic was highly appreciated and sparked meaningful discussion, highlighting the spirit of research and academic growth at RLMC.

RASHID LATIF MEDICAL COLLEGE (RLMC)

DEPARTMENT OF BIOCHEMISTRY

RLMC Faculty Shines at UHS Conference

Prof. Sadia Qureshi, Head of the Biochemistry Department at Rashid Latif Medical College, was invited as a guest speaker at the Discipline-Centered Faculty Conference organized by the Department of Biochemistry, University of Health Sciences (UHS). She delivered an insightful keynote talk on "Neurosignatures: The Next Generation of Neurodegenerative Biomarkers," within the theme "Emerging Biomarkers, Nutraceuticals, and Diagnostics in Neurodegenerative Disorders." Prof. Sadia proudly represented RLMC, sharing her expertise and inspiring the scientific community with her vision for advancing neuroscience and biomarker research.

DEPARTMENT OF COMMUNITY MEDICINE

Journal Club on Clinical Audit

Rashid Latif Medical College organized a Journal Club on "Accuracy and Timeliness of Patient Admission Notes to Improve Quality of Care at a Tertiary Care Hospital." The session was presented by Dr. Aneesa Mahreen (Department of Community Medicine) and discussed by Dr. Syma Arshad, with active participation from 4th and Final Year students and faculty. The interactive discussion highlighted the importance of clinical audits in improving patient care standards.

RASHID LATIF MEDICAL COLLEGE (RLMC)

DEPARTMENT OF MEDICAL EDUCATION

Faculty Development Inspiring Session by Prof. Dr. Rashid Latif

Prof. Dr. Rashid Latif delivered an inspiring academic session organized by the Department of Medical Education (DME), RLMC. Faculty from RLMC, RLKU, RLKUMC, and RLDS actively participated in this enriching event. Prof. Rashid Latif shared his wisdom, vision, and timeless lessons, leaving the audience motivated and enlightened. His guidance continues to shape the future of medical education and healthcare, making this session a truly memorable academic experience.

DEPARTMENT OF MEDICAL EDUCATION

Workshop on E-Portfolios for the faculty of Services Institute of Medical Sciences (SIMS).

Dr. Kainat Javed, Director of Medical Education at Rashid Latif Medical College, conducted an interactive workshop on E-Portfolios for the faculty of Services Institute of Medical Sciences (SIMS). The session was organised by Prof. Khadija Asim Khan under the patronship of Prof. Zuhra Khanum, whose leadership and vision continue to inspire excellence in faculty development.

The workshop emphasized the role of e-portfolios in documenting student progress, encouraging reflective practice, and supporting competency-based education. Faculty members actively engaged in discussions, gaining hands-on insights into effective implementation.

This collaborative effort was highly appreciated, reflecting the shared commitment of both institutions to advancing medical education through innovation and capacity building.

RASHID LATIF MEDICAL COLLEGE (RLMC)

PATIENT WELFARE CLUB

A night to remember at Rashid Latif Medical College! The Patient Welfare Club proudly organized a LIVE concert featuring the sensational Hasan Raheem on 27th September.

With energy, music, and excitement in the air, students and guests came together for an unforgettable evening of rhythm and vibes. Such events not only bring joy and celebration but also support the noble mission of the Patient Welfare Club in giving back to the community.

PHYSIOLOGY DEPARTMENT

FMH Physcon Collaboration

As part of the RLMC–FMH Physcon collaboration, Rashid Latif Medical College hosted 'AI in Learning' Workshop on 4th September, facilitated by Prof. Mudassar Ali, Dr. Kainat Javed and Prof. Saman Saeed. Participants from Ameer-ud-Din Medical College, Avicenna Medical College, Central Park Medical College, and FMH Medical College actively engaged in this pre-conference workshop, which was well-received and thoroughly enjoyed.

RASHID LATIF MEDICAL COLLEGE (RLMC)

RLMC 15TH ANNIVERSARY

Rashid Latif Medical College proudly commemorated 15 years of excellence, dedication & service in the field of medical education. Over the past decade & a half, the institution has remained committed to nurturing competent healthcare professionals, upholding the values of compassion & integrity, & contributing to the betterment of society. This milestone is not only a celebration of our journey thus far but also a reaffirmation of our vision for continued growth, innovation & service in the years ahead.

QUIZ SOCIETY

Intercollegiate Integrated Mind Merge Quiz 2025

The RLMC Quiz Society, founded by Prof. Mudassar Ali (Vice Principal RLMC) and chaired by Prof. Saman Ansari, proudly hosted the Integrated Mind Merge Quiz 2025. Supervised by Dr. Shama Akram (Co-Chairperson) and Prof. Sofia Khan, along with a dedicated student team, the event brought together participants from across Lahore's leading medical colleges, including RLKUMC, FJMU, UCMD, Azra Naheed, CPMC & FMH.

We were honored by the presence of our Chief Guest, CEO Mrs. Sabahat Khan, and esteemed judges Dr. Ambreen Anjum (Al Aleem Medical College) and Prof. Sadia Chaudhry (LMDC).

The quiz featured dynamic segments that celebrated knowledge, teamwork, and academic excellence – thoroughly enjoyed by students and faculty alike.

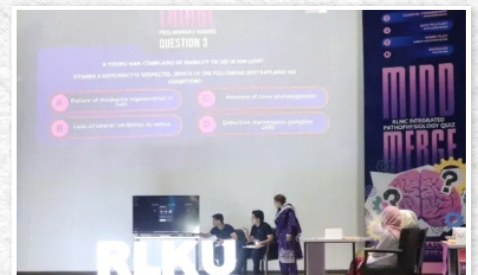

Winners:

1st – Rashid Latif Medical College

2nd – Central Park Medical College

3rd – Fatima Jinnah Medical University

Congratulations to all participants for making this event a true celebration of learning and collaboration!

RASHID LATIF MEDICAL COLLEGE (RLMC)

QUIZ SOCIETY

The Mind Merge Quiz, organized by the Quiz Society of Rashid Latif Medical College, was a vibrant celebration of intellect and teamwork.

Enthusiastic teams from leading government and private institutions came together to test their knowledge, sharpen their thinking, and showcase their competitive spirit. The event was more than just a quiz – it was a platform for collaboration, learning, and building connections beyond boundaries.

Through healthy competition, participants not only challenged themselves but also inspired one another, making the Mind Merge Quiz a true reflection of academic excellence and student-driven leadership at RLMC.

SPORTS SOCIETY

Sports Gala 2025

RASHID LATIF MEDICAL COLLEGE (RLMC)

YOUTH CLUB

Seminar on Seerah-e-Muhammad (ﷺ) by RLMC Youth Club

The RLMC Youth Club proudly organized a heartwarming Seminar on Seerah-e-Muhammad (ﷺ), filled with spiritual enlightenment and active participation from students and faculty across the university. The event featured Qirat, Tafseer, Islamic Calligraphy, and Art Competitions, where students beautifully showcased their devotion and creativity. The highlight of the seminar was an inspiring talk by Mugheera Luqman, who reflected on the leadership role of Prophet Muhammad (ﷺ), leaving the audience with valuable lessons for daily life.

Winners: Qirat Competition: Ibtesam Zulfqar (3rd Year MBBS, RLKUMC) & Hafiza Umama Mehmood (MLT 1st Semester), Tafseer Competition: Syed Muhammad Ali Hassan (DPT 3rd Year), Islamic Art Competition: Hania Nasar (4th Year MBBS), Islamic Calligraphy Competition: Mahan Faryad (Nutrition). Prizes were distributed by Prof. Mudassar Ali (Vice Principal), Prof. Sofia Khan (Youth Club Head), and our esteemed Chief Guest. A gathering that revived faith, celebrated talent, and spread the timeless message of the Prophet ﷺ.

YOUTH CLUB

Shines at Intercollegiate Qirat Competition

We proudly celebrate Hafiz Hassan for his outstanding performance and for securing a position at the Intercollegiate Qirat Competition held at Sheikh Khalifah bin Zayed Medical College. His soulful recitation, mastery of tajweed, and heartfelt delivery captivated both the audience and judges – bringing honor and recognition to Rashid Latif Medical College on a highly competitive stage.

RASHID LATIF MEDICAL COLLEGE (RLMC)

STUDENT EMPOWERMENT PROGRAM

Udaan – Empowering Women, Strengthening Communities

The students of Rashid Latif Medical College, in collaboration with Statice Health NGO, successfully organized "Udaan" – a female health and empowerment session dedicated to the housekeeping and paramedical staff of RLMC & Arif Memorial Teaching Hospital. Led by our 4th-year MBBS students, the initiative created a safe, supportive space to discuss women's health, reproductive well-being, and empowerment. Through awareness talks, breast self-examination training, interactive activities, and open dialogue, the session honored and uplifted the voices of women who form the backbone of our institution.

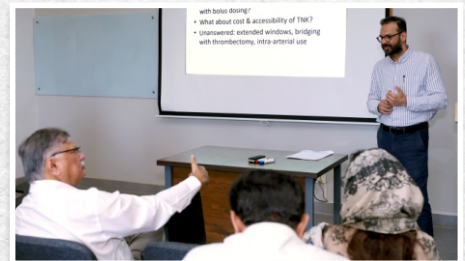

RLKU MEDICAL COLLEGE (RLKUMC)

THE 6TH JOURNAL CLUB MEETING OF RLKU MEDICAL COLLEGE, WAS SUCCESSFULLY HELD ON WEDNESDAY, 24TH SEPTEMBER 2025.

The session was attended by Medicine & Allied faculty members, with an engaging presentation delivered by Dr. Tarif Hussain. He presented a scholarly paper on Comprehensive Review of Tenecteplase for Thrombolysis in Acute Ischemic Stroke. The presentation stimulated meaningful academic discussion, encouraging participants to share insights and broaden their perspectives on recent developments in the field.

Faculty members from the Medical and Allied Departments actively attended the session, making it an enriching academic gathering. The collective participation and exchange of knowledge highlighted the institution's continued commitment to promoting research culture and evidence-based learning.

DEPARTMENT OF MEDICAL EDUCATION

Media Report "Turning Conflict into Teamwork"

The Department of Medical Education recently conducted an interactive workshop on 'Turning Conflict into Teamwork', facilitated by Dr. Zarmin Ali Khan under the supervision of Prof. Dr. Naureen Omar, Director, Department of Medical Education. The session focused on practical approaches to managing workplace conflicts and transforming them into opportunities for collaboration.

Demonstrators participated enthusiastically in discussions and scenario-based activities that highlighted the importance of communication, fairness, and mutual respect in professional settings. The majority praised the workshop for its clear objectives, relevant content, and engaging delivery. Participants also suggested on having future training sessions on Microsoft Office tools.

The workshop concluded on a positive note, reinforcing the value of teamwork and the department's dedication to professional growth and a supportive academic environment.
